

MODERN GLASS DESIGN + FABRICATION

JEFFGOODMANSTUDIO

Camber Vessel

The Camber is an elegant and undulating blown glass vessel. Each piece is one-of-a-kind. The polished and frosted surfaces accentuate the natural form while lending a soft luminescence to the glass.

Available in 20 colours. Please see our colour chart.

(Aurora shown here)

35" long to 60" long

\$2,600 to \$4,200
